

Royles Brook Primary School Performance Profile:

The DfE has confirmed that performance tables for primary schools remained suspended for 2021/22, although it reinstated them for 2022/23 on the Performance Measures website.

Statutory testing recommenced in Summer 2022. Given the disruption to their learning that children have experienced since March 2020, it is also not clear how valid and reliable any data generated by these assessments would be in comparison with previous years.

Therefore, schools' data is only published publicly up until the Summer of 2019.
